

After Midnight

After midnight, we're gonna let it all hang out
After midnight, we're gonna chug-a-lug and shout
We're gonna cause talk and suspicion
Give an exhibition
Find out what it is all about
After midnight, we're gonna let it all hang out

After midnight, gonna shake your tambourine
After midnight, its gonna be peaches and cream
We're gonna cause talk and suspicion
Give an exhibition
Find out what it is all about
After midnight, we're gonna let it all hang out

Guitar solo

We're gonna cause talk and suspicion
Give an exhibition
Find out what it is all about
After midnight, we're gonna let it all hang out
